crabs were digging
1 shore
into a net & then
were 4
crabs were floating
sea
got up in seaweed
were 3.

3 cranky crab were wondering
what to do.
1 dug a deep, deep hole, then
there were 2.
2 cranky crab were warming
in the sun.
1 got scooped up in a cup, then
there was 1.
1 cranky crab was smarter than
all friends. He hid behind
the jagged rocks, that's
how the story ends!
